ODYSSEY LAPTOP BACKPACK

16.1” ergonomic expedition style backpack

The V7 Odyssey Laptop Backpack is the multifunctional solution for on-the-go professionals or students. The backpack is designed with a dedicated padded notebook section designed to fit up to 16.1” notebooks, ample organizational room featuring a workstation with pen loops, accessory pockets, a zippered security pocket and water bottle pockets. The three separate zippered compartments will hold whatever you need to take with you on your travels. Its sleek ergonomic padded mesh shoulder straps and back pad ensures dry comfort in an expeditionary style.

Features & Benefits:

- Dedicated padded notebook section that fits up to 16” notebooks
- Three zippered compartments for accessories and personal items
- Workstation with two pen loops, two accessory pockets, a zippered security pocket and two external water bottle pockets
- Padded mesh adjustable shoulder straps allow for maximum comfort dryness
- Tote handle and haul loop for easy pickup and carry
- Adjustable compression straps to adjust comfort and load
